Brewery Relocation

Thornbury Craft Co. Cider & Brew House operates under the umbrella of Colio Estate Wines.

The rapid growth enabled for the consolidation of its cidery and brewing operations. MWS Solutions Inc was selected for the successful relocation of the King Brewery from Nobleton Ontario to the new recently renovated and expanded historic wooden apple storage facility located in Thornbury Ontario.

Scope of Work

Millwrighting-Rigging-Piping-Electrical & Trucking: _Decommissioning of the Nobleton King City Brewery in which included all interconnecting process piping and electrical terminations. Rigging & trucking of boiler, glycol tanks, chillers, RO unit, 2 CIP systems, keg washer, oversize load walk in freezer, carbon filters, 16 fermentation tanks, 4 aging tanks, water reservoir- 2 RO tanks, 1 hot liquor tank, 1 bright tank, beer-lenticular-bag filters, caustic tanks, air compressors 1 combination mash/brew kettle, air compressors, sanitary stainless piping

In Thornbury, all the equipment was safety unloaded throughout the brewery, through limited spaces, leveled, grouted and anchored into place.
